Crawley College

Cost

£30 Crawley resident / Crawley
Business
or Non-Resident £70

About the course

The Green Village Experience

This short course aims to offer candidates a foundational understanding of Crawley's environmental challenges and the strategies outlined in the Action to Zero plan. Through informal discussions and access to the Crawley College Green Village, participants can explore immersive technologies to visualise scenarios and solutions effectively.

- > Global Warming "The Big Picture"
- > Carbon Footprints
- > Crawley's Targets and Plans
- > Retrofitting solutions for my house.

Refreshments and light lunch provided.

CCG Training

Who can join this course?

This course is suitable for individuals keen on learning about retrofitting and local environmental initiatives relevant to their residential and workplace areas.

How will I be assessed?

This course will be assessed by a short online quiz.

Where to next?

Successful completion of the course will result in candidates gaining a College Certificate.

Candidates may wish to progress onto the NOCN Cskills Awards Level 2 Award in Understanding Domestic Retrofit following completion of this course to gain a qualification.
