

Multi-Trade Construction

Course Overview

A practical, hands-on course for anyone considering a career in the construction industry.

Gain experience in Carpentry, Bricklaying, Painting & Decorating, Plastering, and basic repairs while learning modern construction methods and developing essential trade skills.

Learn to use a wide range of industry tools and equipment safely and confidently, alongside gaining valuable qualifications including:

- NOCN Level 1 Award in Health & Safety in Construction
 - CITB CSCS Test Preparation & Green Labourer Card
 - Level 3 Emergency First Aid at Work
 - Introduction to Self-Employment in Construction
- Build confidence, develop employability skills, and take your first step into a rewarding career in construction.

Who Can Apply?

Adults aged 19+ living or working in West Sussex who want to start or advance a career in construction.

- Ideal for those who are unemployed, self-employed, changing careers or looking to improve their employment prospects.

- No formal qualifications required. Practical experience is helpful but not essential.

 Times : 8:45am – 4.30pm

 Location: Crawley College

 6 July – 21 July 2026
